Family Discount Schedule:

- In order to maximize child-care receipts for income tax purposes for our families, we treat the youngest full-time child as the first child. The first child does not receive a discount.
- Second youngest full-time child (or 2nd child if only two children in attendance) – **24% discount**
- Third or fourth youngest full-time child(ren) (or third child if only three children in attendance) – **29% discount.**

Fee Adjustment:

Our tuition model cultivates a positive and conscious relationship with our collective resources. The primary aim of our Accessible Tuition Program (“ATP”) is to ensure that the acceptance of a child into our school does not depend solely on the financial resources of the family. Based on this same principle, families who are able to, contribute more than full tuition fees. Further information about this program can be found on our website at www.londonwaldorf.ca/Tuition.

Tuition Fee Schedule

2018-2019 School Year

Other Fees:

Application Fee for New Students:

A non-refundable application fee of \$125 per student shall accompany each application for admission. **Application fees are separate from tuition fees.**

Registration Fee:

A registration fee of \$250 per child (to a maximum of \$500 per family) is payable at the time that the Tuition Agreement is signed. For current students, this must be paid **by February 28, 2018**. For new applications, the Registration Fee must be paid **within 1 week** of receiving the tuition agreement.

If the Tuition Agreement has been signed and returned to the Business Office and the Registration Fee has been paid on time, the Registration Fee will be deducted from the last tuition payment for the school year. If it is received after the due date, it becomes an added fee.

Lunch Fee for Students in the Licensed Preschool and Licensed Toddler Programs:

As it is a government requirement that we provide lunch for children in our licensed programs, there is a \$1,100 meal fee for children in the five day full-time Program. The cost for the three day lunch program is \$660 and the cost for the two day lunch program is \$440 for the year.

Capital Fee for New Students:

London Waldorf School began in a farmhouse in 1980 and then moved to other rented premises in 1984. Through the strong support and will of enthusiastic parents and friends, a bold step was taken in 1994 by purchasing a beautiful 3.5-acre site on Beaufort Street, with doors opening in September 1996.

Today, we enjoy a building built by the physical work and funds of previous parents and faculty. The Capital Fee is a way to involve new parents in the creation of the future of the school, by helping to carry its costs while enjoying its benefits.

Therefore, parents enrolling a new child in the school are required to pay a \$500 Capital Fee. Parents of a child enrolled in one of the Early Years program are charged only \$100 per year until the child enters the Grade school, at which time the unpaid portion of the \$500 fee will be due. The Capital Fee is non-refundable and is not subject to any discount or fee adjustment.

Graduation Trip Fee for Students in Grades 1 to 8:

Graduation Trip fees are included in tuition. Once a child enters grade school, a Graduation Trip Fee of \$65 per year is set aside from the tuition. These funds accumulate and are applied toward the cost of the student's graduation trip that takes place during the Grade Eight year. Additional activities/events are set aside each year to allow the classes to raise additional funds for this trip.

If a student joins the class in any year other than Grade One, an additional graduation trip fee will be charged to bring their fund up to the amount had they started in Grade One. Should a student leave the school before Grade Eight, the additional Graduation Trip Fees paid at the time of registration will be refunded if desired. Families can choose to donate this amount to the school, and a donation receipt can be issued if requested. However, if a family has been a part of our ATP program, the amount of their contribution allocated to Graduation Trip Fees will not be refunded.

Note

If a class is not able to raise all of the funds for the Grade Eight trip, parents may incur additional charges to facilitate the Graduation Trip.

Materials and Activities:

The cost for materials and standard activities is included in the tuition fee. However there may be additional costs for any non-local outings, overnight trips or specialty outings that may arise during the school year.
