

GENERAL CONSENT

To avoid the inconvenience of permission forms for each trip that the children in the school take, we have prepared a general consent form that gives your child permission to participate in all field trips scheduled during the year. This form applies to day and overnight trips, as well as extra curricular activities that may occur from time to time. This also includes walks and day trips that the children in Preschool/Kindergarten take. You will be informed about the trips the children go on as they come up and about any special needs in the way of clothing, supplies, transportation arrangements or costs for these trips.

I give permission for my child to participate in London Waldorf School field trips. I understand that this consent applies to both day and overnight trips. I further give permission for my child to be driven on occasion to and from their destination by school approved drivers, usually a faculty member or school parent.
