

London Waldorf School Childcare Centre Consent for Sunscreen and Topical Creams Form

Outdoor play is a large part of our curriculum. To minimize the risks of sun exposure we recommend that you provide your child with a wide brim sunhat to wear at school and provide sunscreen from home that educators can apply to your child's skin before playing outdoors. Your child's educators will use their discretion upon when sunscreen should be applied to children before outdoor play based on the weather conditions of the day and the season of the year. All products that you supply for your child will be clearly labelled with your child's name and kept in your child's school baskets. Please check below any boxes that apply:

- I give permission for the educators of my child to apply sunscreen before going outside to play in the sun.
- I understand that sunscreen may be applied to exposed skin, including but not limited to the face (except eyelids), tops of ears, nose, bare shoulders, arms and legs. For medical reasons or other reasons, please do NOT apply sunscreen to the following areas of my child's body:

I have provided the following brand of sunscreen _____ for use for my child.
Brand name of Sunscreen

I have NOT provided sunscreen and DO NOT wish for my child's educators to apply any sunscreen to my child during his/her time at school.

Diapering and assistance with toileting can be a routine part of care in your child's day, as can the care provided after an injury at school. Please check below any boxes that apply:

I give permission for the educators of my child to use the Kirkland brand baby wipes that are supplied by the school.

I DO NOT wish for my child's educators to use the school's brand of baby wipes and have supplied the use of my own brand from home to be used for my child _____.
Brand name of Baby Wipes

I have provided the following brand of diaper cream _____ for use on my child.
Brand name of Diaper Cream

- I give permission for the educators of my child to use the following topical products on my child at school during various times throughout the year:
 - Weleda Calendula Body Lotion (applied to hands and feet)
 - Weleda Intensive Skin Recovery (applied to the skin after a bump at school)
 - Boiron Arnicare Cream (applied to the skin after a bump at school)
 - Rose Water (applied to the skin as part of our treatment for bumps at school)

Name of Child

Name of Parent

Signature of Parent/Guardian

Date

Please note: This form is in effect for all the years that your child attends Licensed Care programs unless you submit a new form with changes.
